

WHY ENGAGE?

Students will actively engage in digital learning and express interest in STEM career fields

Parents will have increased digital skills and improved capacity to support student learning at home

Parents will utilize school communication tools, including school district sites and parent portals, to stay connected to their child's education

Parents will feel able to help their children learn and will be encouraged to renew or continue their own education

Parents will feel more connected to their child's school, thus encouraging a closer school/parent partnership

LANDSCAPE SUPPLY

"We recognized that InspiredU had a need, that we believed we had the network and expertise to address. We are grateful for the opportunity to give back to the community and to partner with other leading technology companies in doing so."

- Bill VanCuren, SVP & Chief Information Officer, NCR
