

Inspiredu (e)Mazing Race BACK-2-SCHOOL challenge (for book bags with supplies and laptops) is back!

For the third year in a row, Inspiredu will be holding the (e)Mazing Race Back-2-School event, where corporate supporters compete to deliver 300 book bags filled with school supplies and laptops to the communities served by Inspiredu. Google Fiber is the presenting sponsor for this exciting event.

Inspiredu Director of Development Carmen Saladin says, "It was a fun idea we came up with one year, and it took on a life of its own. It really shows who we are as an organization and what we stand for. We love having our corporate supporters involved so they can really get a glimpse into the communities we serve."

On the day of the event, corporate teams will return to their final destination of the race at the Inspiredu headquarters, where efforts are underway for our Capital Campaign to raise funds to build out our Volunteer and Training Center. Teams who finish first will be awarded for their hard work. In addition, this year Inspiredu is adding a fun-filled block party with vendors like the G-Code Game Truck with video games, the "Atl Kid DJ" Reece Boogie providing music, King of Pops popsicles, Official Street Eats food truck, and plenty more for an afternoon of family fun.

The (e)Mazing Race Block Party is open to the public, and Inspiredu will have backpacks with school supplies for kids in attendance. They will also be holding a drawing to give away 5 laptops for those who register to attend. They are encouraging you to register early!

Inspiredu is inviting you to sign up for the (e)Mazing Race Block Party on August 26th from 12:00-3:00 pm at Inspiredu's Volunteer and Training Center by visiting bit.ly/2023emazingrace or their Events page at iuatl.org.
